

Challenger Learning Center of Kentucky

Photo Release Form

We would like to include photos taken during your visit to our Facebook and Webpage (www.clcky.com). However, we need permission from your school before we can use photos of your students.

We will give our camera to the teacher from your school so that only students that have permission will have their photos taken or have our staff to ask the teacher which students do not have permission.

Student's names will not be included on Facebook or the Webpage.

Please fill out the bottom portion of this form and fax it along with your crew manifest to us before your scheduled date.
